PRIVACY STATEMENT

The data collected in this form will be utilised in the management of chestnut blight. Chestnuts Australia Incorporated will manage and upload the data into AUSPestCheck, a national database for plant pest surveillance data. The data, and summaries of that data, may be shared with government agencies, industry partners, and other organisations involved in biosecurity to support the management of chestnut blight, including advice and statements relating to the presence and absence of chestnut blight.

Chestnuts Australia Incorporated collects and administers a range of personal information for the purposes of managing the affairs of the organisation and promoting the Australian Chestnut Industry. The organisation is committed to protecting the privacy of personal information it collects, holds and administers.

Chestnuts Australia Incorporated recognises the essential right of individuals to have their information administered in ways which they would reasonably expect – protected on one hand, and made accessible to them on the other. These privacy values are reflected in and supported by our core values and philosophies.

Chestnuts Australia Incorporated is bound by laws which impose specific obligations when it comes to handling information. The organisation has adopted the principles as minimum standards in relation to handling personal information.

Enquiries about access to information should be directed to the Chestnut Blight Response Coordinator (Chestnuts Australia Incorporated) by emailing **ibo@chestnutsaustralia.com.au**.
