Supporting Information

Please provide as much detail relating to the chosen selection criteria and any additional reasons you believe the tree to be significant.

Supporting documentation to help illustrate the significance of the tree should also be attached e.g. arborist report, newspaper and journal articles, historical information and other documentation specific to the tree.

Letters from neighbours and community members supporting the nomination will also assist.

Photographic evidence of the nominated tree — leaf, flower and bark detail and the tree in its surrounds and in its current condition — as well as historical photographs will be of great assistance.
