Proposed Local Law No. 4 – Control of Livestock

Submissions Close on Tuesday 9 June 2020 @ 5:00PM

Summary:

Local Law No. 4 – Control of Livestock objectives are to:

- regulate the movement and droving of livestock through and within the municipal district and the grazing of livestock within the municipal district;
- minimise any damage to road pavements, formations, drainage, vegetation, properties and surrounding areas arising from livestock;
- minimise the spread of livestock disease and noxious weeds in the municipal district;
- provide for the welfare of livestock when being driven, grazed or moved; alert other road users to the presence on roads of livestock in the municipal district in the interests of safe use of roads;
- control the manner in which livestock are driven to provide, as far as possible, for the safety of users of streets and roads within the municipal district;
- regulate the adequacy of fencing of livestock;
- put in place mechanisms for rectifying inadequate fencing;
- empower Authorised Officers to impound livestock in appropriate circumstances;
- fix fees or charges relating to the impounding of livestock and all other costs incidental thereto and for road use by livestock within the municipal district;
- enter arrangements with neighbouring Councils relating to impounding, collecting trespassing livestock, housing and releasing those livestock;
- prescribe penalties for contravention of any provisions of this Local Law;
- provide generally for the peace, order and good government of the municipal district including in particular the administration of Council's powers and functions; and
- repeal any redundant Local Laws.
